[Under rule 6 of the Mining Leases (Modification of Terms) Rules, 1956]

Case No. CML/Z-654/2000

Whereas a case was registered for the modification of terms of a \*mineral mining lease dated 12-9-1958 (TC No. 50/58)\*. Iron Ore held by Shri Mohanlal S. Rege, Goa. for pmt. period area 33.2500 hectares in Village(s) Collem, taluka Sanguem, district South Goa of Goa State.

- (i) **Area:** The area of the lease is limited to 33.2500 hecets.

5. This order shall take effect from the date of this order.

6. It is ordered that this order be published in the Official Gazette of Goa State and copies thereof be sent to the lessee and the State Government.

C. P. Ambesh, Controller of Mining Leases for India.

Nagpur, 27th July, 2002.

**NOTE EMBODYING THE FACTS OF CASE, PLEAS  
OF THE PARTIES & REASONS FOR THE ORDER**

Case No. CML/Z. 654/2000

Name of the lessee : Shri M. S. Rege, Mohankrupa  
Deulmol, Kepem Goa-403 705.  
Date of the lease : 12-9-1958 (T. No. 50/58)  
Mineral(s) : Iron Ore  
Area and Location : 33.2500 hecets. Village Collem  
Taluka Sanguem  
Dist. South Goa.  
Period : Unlimited

Apart from the insertion of the general clause, the following was the proposal contained in the show cause notice(s) issued to the lessee for modification of the mining lease(s) referred to above:

**Area:** To be reduced to ten square kilometres as required under Section 6 of Mines and Minerals (Regulation & Development) Act, 1957.

**Period:** To be reduced to two years counting from the date of the modification order, passed under Rule 6 of Mining Leases (Modification of Terms) Rules, 1956.

2. In pursuance of rule 6 of the Mining Leases (Modification of Terms) Rules, 1956, the show cause notice containing the proposals for modification of the above mentioned mining lease was sent to the lessee - M/s Mohanlal S. Rege, Goa, and the lessor - the Government of Goa, calling upon them to show cause why such modifications/alterations should not be made in the mining lease deed dated 12-9-1958 held by the lessee.

3. The case was also taken up for hearing on 26-6-2000 at Goa for enabling both the parties to put forward their case.

4. At the time of hearing on 26-6-2000 at Goa, the lessee was represented by his Advocate/representative. The lessee has submitted objections letter stating:

- i) that the proposal to reduce the area of lease under Section 6(i) (b) of Mines and Minerals (Regulation & Development) Act, 1957 is not possible which is likely to negate any decision that may be arrived by the Hon'ble Supreme Court of India in the SLP filed by lessee wherein Ad interim order, passed on 2-3-98.
- ii) that the proposal to reduce the period to two years from the date of the modification order is not possible as provided under Section 16(1A) of Mines and Minerals (Regulation & Development) Act, 1957 since the period of the lease has already stand reduced to the extent of six months from the date of assent i. e. 23-5-87 under Section 5 of Goa, Daman & Diu Mining Concessions (Abolition and Declaration as Mining Leases) Act, 1987.

Further, the lessee has also submitted the following documents at the time of hearing:

- i) information regarding lease(s) in the prescribed annexure I & II under Rules/Act.
- ii) affidavit(s) dated 6-6-2000 duly signed by the lessee/attorney to abide by the provisions of MM(R&D) Act, 1957, MCR 1960, MCDR, 1988 and ML(MT) Rules, 1956 and other provisions applicable and as amended from time to time by the Central Government in respect of his aforesaid lease(s).

However, no representative of State Government (Lessor) was present on the date of hearing.

5. I have given my careful consideration to the above objections/plea advanced by the lessee and, in my view, they have got no force on the basis of my finding given hereunder:

- i) that the contention of the lessee(s) is not maintainable that the modification of area is likely to negate the decision that may be arrived by the Hon'ble Supreme Court of India in the SLP wherein Ad interim order was passed on 2-3-98. The Hon'ble Supreme Court of India in Ad interim order dated 2-3-98 has permitted the appellants to carry on mining operations and mining business in the mining area for which renewal applications have been made on the condition that the appellants shall pay to the respondents from the date of commencement of the impugned Act all the amount of dead rent, royalty as now stipulated by the respondents under the impugned Act without prejudice and under protest. The appellants will also comply with all other conditions. As regards the period from 1961 till the coming into force of the impugned Act, it will be opened to the respondents to take proceedings from assessment of the amount payable by the appellants but no recovery shall be made without further order from the court. Thus, there is no restraint put by the order of the Hon'ble Supreme Court of India for control of modification of terms of the existing mining lease(s) to bring in conformity with the terms of the Mines & Minerals (Regulation & Development) Act, 1957 and the rules made thereunder. Accordingly, the area may be modified without affecting the area under active mining operations.

- ii) that the contention of the lessee(s) is not maintainable that the provisions of Section 16 of Mines and Minerals (Regulation & Development) Act, 1957 is inconsistent with the provisions of Section 5 of Goa, Daman and Diu Mining Concessions (Abolition and Declaration as Mining Leases) Act, 1987, therefore, provisions of the Section 16 of Mines and Minerals (Regulation & Development) Act, 1957 do not apply to the deemed lease(s) of Goa. The above Acts are consistent & Section 16 of Mines & Minerals (Regulation & Development) Act, 1957 made applicable to all lease(s) of Goa State vide Government notification w.e.f. 15th Jan' 1966. However, the period of the lease(s) is not changed as the same is already modified as per the provisions of the Goa, Daman & Diu Mining Concessions (Abolition and Declaration as Mining Leases) Act, 1987.

6. As stated above, vide Government of Goa notifications dated 30th Sept' 1963 and 4th Jan, 1966, the MM(R&D) Act, 1957 became applicable to Goa w.e.f. 1st Oct., 1963 and the Section 16 of the said Act was

made applicable to Goa w.e.f. 15th Jan 1966 which confers powers to CML for modification of mining lease(s) of Goa under Section 16 of the MM(R&D) Act, 1957. Keeping in view of the provisions of the Mines and Minerals (Regulation & Development) Act, 1957, Goa, Daman and Diu Mining Concessions (Abolition and Declaration as Mining Leases) Act, 1987 and the rules made thereunder, modification of the lease(s) is made.

Order passed accordingly.
